

## Block of The Month 2016: Block #10

Block is due at the November meeting.

This month's block is called Glass Tile. It is similar to a block we made earlier this year, but when these are combined, the results are quite different. Remember we are using a black, white, grey, and one color of your choice palette for our fabrics this year. We encourage you to make two blocks, one to enter in the monthly drawing to win all the blocks turned in and one to keep. Please be accurate on your seams and sew a scant quarter inch. Our instructions are for making one block, but it is very easy to make two blocks.

### Cutting Instructions (for one block):

Black: Six 2 1/2" squares; Two 4 1/2" squares

Color: Four 2 1/2" squares

White: Two 2 1/2" X 4 1/2" rectangles; Five 2 1/2" squares

Grey: Two 2 1/2" X 4 1/2" rectangles; Five 2 1/2" squares

### General Instructions:

Use a 1/4" seam allowance throughout.

Refer to the photos when sewing the pieces.

1. Stitch together pieces in vertical columns A, B, & C and then sew the columns together. When sewing each vertical section, sew the smaller pieces together, following the placement in the photos. This will make each row of each section the same width. Now sew the rows together within the section.
2. Press to seams to color fabric, else to the darker fabric and they should alternate so the seams will nest.
3. Press and trim the block to 12 1/2" x 12 1/2".

Make lots of blocks!
