Valley of the Mist Quilters will have the pleasure of hosting another terrific speaker at our upcoming General Meeting. Please JOIN US at 6:30PM to meet with members and learn about our guild on TUESDAY, MARCH 12th, at the Temecula Community Center at 28816 Pujol Street in Temecula. After our business meeting we are honored to host our SPEAKER, *Sherri McConnell*, who will delight us with details of her life and work in the world of quilts.

SHERRI McCONNELL is the woman behind one of the top quilting blogs, "A Quilting Life", since 2008. She is also a designer for Moda fabrics. Sherri and her daughter Chelsi Stratton have designed over 15 fabric collections. We may even get some advance information on future fabrics!

As well as sharing her love of quilting through her blog, Sherri has written several quilt books and publishes patterns through her pattern company, Quilting Life Designs. She learned her love of fabric and quilting from her mother and grandmother with early sewing lessons followed by quilting in 1993.

Sherri is now an integral part of the quilting community and will share her work and experiences with us.

In addition, Sherri will lead a WORKSHOP on WEDNESDAY, March 13th, from 10 a.m. to 4 p.m. at the Glen Oaks Clubhouse in Temecula that will feature one of her patterns - Happy Go Lucky. This quilt features a colorful pieced quilt. Information about the workshop can be found on our VOMQG web page. Come join the fun!

## **Sherri McConnell March 12, 2024 Lecture: A Quilting Life: Journey**

### **March 13, 2024 Workshop: Happy Go Lucky**

Sherri has been sewing since the age of 10 when she received her first sewing machine from her grandmother. She has since written three books and published patterns through her pattern company, Quilting Life Designs. She and her daughter design fabric for Moda. Sherri also loves to teach all about Scrap Quilting.

## **Kim Brownell April 9, 2024 Lecture: Wacky Doodle Trunk Show**

### **April 10, 2024 Workshop: Quilted Jigsaw Puzzle**

Kim calls herself the “Wacky Doodle Quilter” due to her easy-going, whimsical style, and because she doesn’t always follow the rules! She began quilting in 1993 and has been teaching since 2010. She gravitates towards animals, nature scenes, and bright colors. Her techniques include fabric collage, free form art quilts, raw edge appliqué, and many others.

## **Sandy Corbin May 14, 2024 Lecture: Making Scrappy Quilts Fresh**

### **May 15, 2024 Workshop: It’s All About the Borders Pillow**

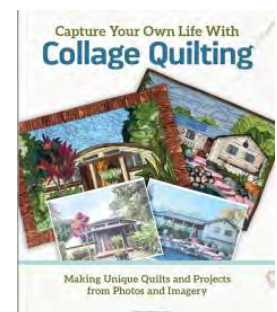

Sandy started sewing in junior high and began making her own clothes in high school. She started making quilts in the ‘70’s. In 2002 she founded “Sandy’s Designs”, started creating patterns, and has been teaching since 2004. She is local and is an active member of the Beach Cities Guild. For her workshop, she will be showing a variety of border designs that students can make into pillows.

## **Jane Haworth June 11, 2024 Lecture: Journey as a Quilt Artist**

### **June 12, 2024 Workshop: House and Home Fabric Collage**

Jane has been quilting since 2003 but has been involved with fabric all her life. In 1998, she moved to Auburn, California, where she discovered quilt shops, a huge range of fabrics, and art quilts. She has entered many of her quilts in International Quilt shows and has an Etsy shop called Happy Quilt Designs. She loves Kaffe fabrics, and her favorite technique is raw edge collage appliqué. She uses photos of landscapes, sea-life, birds, and of the work of illustrator Charlie Harper.

## **Sheila Collins October 8, 2024 Lecture: My Creative Journey**

### **October 9, 2024 Workshop: Summer Escapades**

Sheila has a background in fashion and graphic design using mainly fusible machine appliqué; she combines design skills with her love of sewing to create bright and cheery designs. Fun!

# Block of the Month

## Block of the Month 2024: Block #3

Here is our March block, called Alabama Variation. If you plan to make blocks for the monthly drawing at the April guild meeting, you must use our focus fabric, Yalke by June Smith for M&S Textiles. We will not be able to attend the March meeting, so let us know ASAP if you desperately need some focus fabric. For this block, you need the focus fabric, a white fabric and a light and a dark coordinating fabric. Remember, all our blocks end up 12.5" X 12.5" (a 12" finished block.)

There is a link to the YouTube video instructions below or go to our channel at: <https://www.youtube.com/@Blockheadsquilt>

### Cut list -- For one block

**Focus Fabric: Two 2" X 6.5"**

**White: Four 2" X 3.5"**

**Four 2" X 9.5"**

**Light Coord. fabric: Twelve 2" squares**

**One 3.5" square**

**Dark Coord. fabric: Two 2" X 6.5"**

**Assembling the block: Use a quarter inch seam**

- Add a light coordinating 2" square to each end of the following pieces: two white 2" X 3.5" strips, two white 2" X 9.5" strips and two focus fabric 2" X 6.5" strips. Press the 3.5" and 6.5" strips to the darker fabric and press the 9.5" strips to the white.
- Now we will make the center 9-patch. Sew a white 3.5" strip to opposite sides of the light coordinating fabric 3.5" square. Press to the center. To the other two sides of this square, sew two of the units we made in the last step, the 6.5" strip containing two light coordinating squares and a short white strip. The seams should nest. Press to the newly added strips or do the twirly press. (See photo.) This unit should be 6.5" square.
- Add the next two rounds in the same manner. First sew a dark coordinating strip to opposite sides of the square we just made. Then add the two focus fabric strips we made in the first step. Press as before. The remaining pieces are used in the last round.
- Finished block should be 12½" X 12½".

# 2024 Challenge Quilt

You are invited to join me on an epic study of your interpretation of Stained Glass. Several of us have journeyed to foreign lands to view epic European stained glass in churches, cathedrals, and museums. I have long been fascinated with this art form, and would love to see it in fabric, of course.

## First off...a few parameters:

1. Each member may enter one quilt in the Challenge.
2. The quilt must be a new project (started since September 2023.)
3. Whilst there is no minimum size, the maximum size is defined at 200 inches for the perimeter.
4. Quilts must be primarily made of fabric, with batting, backing, and some form of quilting to hold it together.
5. Your quilt needs a label, with name and date. (These will be covered with painters' tape for the voting.)
6. There will be a sign-up sheet at the meetings until and including August 2024.
7. The quilt should be your interpretation of stained glass. This is a very broad category; it can be modern, abstract, or traditional.
8. No Group Quilts.

## There will be 3 judging categories:

- Originality and Creativity of Design
- Best Use of Color
- Best Workmanship

# Opportunity Quilt 2024

The opportunity quilt, Sizzle Pizzazz, is going to the Beach Cities Guild meeting in March. Remember that the group or person who sells the most opportunity quilt tickets will win a gift card. If you know of any places to take the opportunity quilt in order to sell more tickets, you or your group can take the quilt to that event.

Also, each member of the guild has a packet of tickets to buy or to sell to others. If you haven't yet picked up your tickets, please see me at the March meeting.

## UFO Challenge

I'm pleased to report that participation in the UFO Challenge is set, and we are already getting some completions. Many of you mentioned a sort of reconning when making your list, and honestly, that was my intention. I chase so many squirrels, I honestly have no clue how I get anything done.

That being said, I need everyone participating to help me out a little. When you bring a finished piece to show off, please stop by my table and help me look it up in the book. There are many multi-page submissions, so I could, in a very short time, miss someone, and I don't want to do that. When you get checked off, you will get a ticket to write your name on, and that will go in the drawing box.

The Final Date for submissions will be at the January 2025 General Meeting, and we will draw for the FABULOUS prizes that evening. There will be no less than 3 major prize packages, including a Janome 2030DC-G Sewing Machine!

Thanks for Playing Along!

Charlotte Carpentier  
UFO Challenge Coordinator

## Fat Quarter Exchange

The Fat Quarter Exchange is a guild activity that is fun and totally voluntary. For each meeting, a theme is announced ahead of time in the newsletter, and if you would like to play, bring a fat quarter that matches the theme of that month. For every fat quarter you bring you will be given a ticket. At the end of the break, one (maybe two!) ticket will be picked, and the lucky person(s) owning that ticket will go home with all the fat quarters brought in that night. Not only is it a nifty way to add to your stash, the fabric you go home with will all be of the same theme, and will be perfect for the beginning of a new project!

Please remember to bring quilt shop quality fat quarters.

Themes for the remainder of 2024 Fat Quarter Game (All fabric can be a solid color or a print):

**March: Spring Pastels** – Pink, Blue, Lavender, Yellow, Greens. All fabric must be pastel in color

**April: Flowers, flowers, and more flowers**; bring in any fabric but must have flowers on it.

**May: Summertime Fun** -- anything that has summer inspired fabric prints.

**June: Red, White and Blue**

**September: Halloween Prints, Colors of Autumn**

**October: Batiks**

**November: Christmas Fabric**

# Philanthropy

*March already??!* Yes, it is! And Lynn just made a very big delivery of goods you all have donated or made up to the U.S. Vets Pantry at Veterans' Village at March Air Reserve Base in Moreno Valley.

If you are new to the guild, U.S. Vets up at March is one of our favorite and most longstanding philanthropy recipients. And U.S. Vets tells us we—Valley of the Mist Quilters Guild—is one of their biggest and most reliable donors. They love the quilts and pillowcases we make and are deeply appreciative of them as well as all the other items we routinely deliver to them. U.S.Vets.org is a national nonprofit dedicated to helping get homeless veterans off the streets and back into society. This is a great program that gets homeless vets off the streets, connected to the VA and its medical and psychiatric services, helps with detox, and provides housing, job training, and helps integrate these men and women back into society. The formerly homeless vets are housed in studio apartments (although there are some family units) in many locations, many in new housing at Veterans Village at March ARB. The new residents basically need everything. U.S. Vets provides as much as they can and we try to help pick up some of the slack however we can.

Valley of the Mist quilters make twin size bed quilts and pillowcases for the vets. When the vets leave and move into their own housing, they take their quilts, bedding and goods with them. We make quilts that are a minimum of 64" x 80" to fit their beds, standard pillowcases with French seams, and all kinds of other items, whatever gets donated. We try to focus on particular items each month, as members have told us it's easier to shop for them that way. Lynn noticed while she was there this time that their supply of jam and jelly was very low—down to just 3 jars.

**SO.....for March we are aiming for a whole lot of jars of jam, jelly and preserves again.**

Other items always needed include toilet paper, toothpaste, individually packaged toothbrushes (soft bristles), bar soap, shampoo, towel sets, bath mats, kitchen towels, and twin-size sheet sets (**note: NOT XL Twins—just regular twin size**). Anything you bring, we will get delivered.

We also make and donate quilts and pillowcases for local foster children through the various local agencies affiliated with the Temecula Valley Assistance League. This is a mutually beneficial arrangements, as the Assistance League allows us to hold our monthly philanthropy sew day at their very nice meeting room, and we make quilts for the fosters.

Thanks so much to everyone who took (and returned) kits for various size quilts or pillowcases. Thanks also to the generous contributions of our long arm quilters, without whose services our quilts would never get finished. And to our binders, Cathy Cochran, Marge Hohenberger, and Renee Stokes—we love you and thank you so much for the great binding work you do.

We usually have our monthly philanthropy sew day on the last Saturday of every month. Please plan to join us on **March 30th, from 10 am – 3pm or so**, at the TV Assistance League on Via Montezuma in Temecula.

Thanks so much for whatever you do to help!

--Lynn, Ida and Ellen, Philanthropy Co-Chairs

### The Elm Creek Quilts Novels

The Elm Creek Quilts novels are a series of books written by author Jennifer Chiaverini. Most of the stories feature a master quilter named Sylvia Bergstrom Compson. She and her young friend Sarah McClure open a quilters' retreat at Sylvia's family estate in rural central Pennsylvania, Elm Creek Manor. Sarah and Sylvia run the quilt camp with the help of their friends, the Elm Creek Quilters. While many of the novels have a contemporary setting, several are historical fiction, exploring the lives of Sylvia's ancestors and other earlier residents of the Elm Creek Valley.
