### October Workshop: Bumblebee Blossoms with Krista Moser

Krista Moser is the creative force and inspiration behind *Krista Moser, The Quilted Life*. A sewing enthusiast and quilt pattern designer, she has published more than thirty patterns since 2016 with more in development. She is the designer of the Creative Grids 60 Degree Diamond Rulers and has been teaching sewing and quilting lessons for more than twenty-five years.

Her work has been featured in quilting magazines, published in books, and hung in prominent quilt shops around the country. She is wild about all things quilting and loves to share her passion.

Come learn from Krista all the tips and tricks for cutting and piecing diamonds, triangles, and hexagons in an easy, fast, and precise way. If you have been wanting to break out of the same old quilting routine and try something different, her classes will inspire confidence and equip you with new ideas and tools.

Don't forget to bring your Show & Tell items!

## President's Page

Hello everyone,

I am so excited for all the happenings this month. First the Old Town Temecula Outdoor Quilt Show is here! I hope you aren't reading this newsletter late – because the quilt show is on Saturday, October 1<sup>st</sup>. Also, I hope all of you will be able to come to the show and even more important – I hope all of you hang at least one quilt in the show. All the visitors love looking at the wide variety of ways we express ourselves in our quilts. There is no judging – just a lot of love!

Next, we have Krista Moser coming to talk to us at the guild meeting on October 11<sup>th</sup>. Now don't get lost coming to the meeting. Remember we temporarily have been booted out of the Community Recreation Center and this month we are meeting at the SRCAR event center. They are located in Murrieta at 26529 Jefferson Ave., next to what used to be the Smart & Final Store but is now a hydroponics sales center. Do not park in that parking lot – they will have you towed. SRCAR has a big, well lighted parking lot and if that fills up, there is extra parking in the parking area on the south-west corner of Corning Place.

Back to Krista; I am really looking forward to her talk. I love her fun quilts and the challenge of diamonds. She quilts with bright, beautiful colors – my favorite kind. She is giving a much anticipate two-day workshop, that I am ready for.

Don't forget to bring your show and tell this month. We want to see any new quilts you have finished and to check what we didn't have time to go see at the quilt show.

Also, don't forget to bring any donations you have for US Vets – they are always looking for toiletry items. Please read the Philanthropy update for further information.

Hope to see you all on Tuesday,

Adriane Ridder  
VOMOG President

### Next Meeting

Tuesday, October 11th  
6:30, Social Time  
7-9 Meeting

### Meeting Place for October 11, 2022, General Meeting

Remember we are not meeting at the Temecula Community Recreation Center for the next six to seven months. This month we are meeting at the SRCAR event center. The address is **26529 Jefferson Ave., Murrieta, 92562**. This is next door to what used to be the Smart & Final Store but is now a hydroponics sales center. Do not park in that parking lot – they will have you towed. SRCAR has a big, well lighted parking lot and if that fills up, there is extra parking in the parking area on the south-west corner of Corning Place. If driving north on Jefferson, the entrance to the parking lot is on the left, just before the stoplight at Corning Place.

**Apr 15, 2023 (please note this is a Saturday) Workshop: Goodbye Ruler... Free Cutting Caohagan Island Style**

**May 10, 2023 Workshop: Flag #4**

Tina's interest in making art quilts was jump-started by seeing her dear friend take a variety of patterned fabrics, cut them into pieces and combine them in an artistic way. As a life-long sewer (having experienced her first sewing triumph with a skating skirt she made in Girl Scouts), she took to quilting quickly. She finds one of the great thrills with this art form is that her options are as infinite as those of a painter working on canvas -- landscapes, portraits, geometric patterns, abstract impressions, etc. Please visit her website at:

# Block of the Month

## Block of the Month 2022: Block #10

To get started, here are the fabrics you need: your focus fabric, one to four coordinating fabrics based on the colors in the focus fabric, and a white fabric. Pick ones that contrast with each other. Remember, all our blocks end up 12.5" X 12.5" (a 12" finished block.) These blocks are not due until November.

Also, the Guild's website and Facebook page should have a post directing you to the YouTube instructions for this block.

### Cut list -- For one block

**Fabric 1** (focus fabric) – One strip 1.5" X 21"

**Fabric 2** (white) – One 4.25" square; Two 3.75" squares; Four 4.75" squares

**Fabric 3** (coordinating fabrics) – Four 3.75" squares (can be same or different colors)

### Sewing the block: Use a quarter inch seam

Step 1: Make one sub-block 1

- Using the one white 4.25" square we need to frame the square with the focus fabric strip. You can use your favorite method – I sewed either side of the square to the strip and cut off the extra strip, pressed to the focus fabric, then sewed the focus fabric to the remaining two sides and press again to the focus fabric.

Step 2: Make four sub-block 2's

- Cut all 3.75" squares (two white & four coordinating fabric) on one diagonal. Lay your pieces out as shown in photo 2. Note that there is a sub-block 2 within each sub-block 3. When arranging the coordinating fabric triangles, the hypotenuse of the triangle attaches to two adjacent sides of the white 4.75" squares. After you get the look you like, remove the white triangles and sub-block 1. Sew the coordinating fabric triangle to the sides of each white square. Start sewing from the side of the square where the colors do not meet – lining up the end of the triangle so it extends 1/4" above the white square. The extra length (if any) will extend off the end. Press open. Now check the edge of these

blocks where the two triangles meet (photo 3). Trim this edge to remove flags and make sure there is no more than 1/4" of coordinating fabric above the corner of the white fabric.

- Step 3: Make two sub-block 3's
- With two of the sub-blocks 2 (from opposite corners) we are going to add the white triangle pieces. The right-angle corner of the triangles aligns with the right-angle edges of the coordinating fabric and when attached, create a large triangle (photo 2). Sew on these triangles, matching the corner of the triangle and the coordinating fabric (photo 4.) Press open seams.

Step 4: Assemble final block

- Refer to the final block and arrange all the pieces so they roughly match the look of the final block. Sew a sub-block 2 to opposite sides of sub-block 1. Center sub-block 2 on the edge of sub-block 1 with the coordinating fabric edge meeting the focus fabric. Press seams open.
- Now sew the sub-block 3's to the two remaining sides of sub-block 1. Center seams open.
- Now to square it up. Use your 12.5" X 12.5" square up ruler, place it over the fabric under all parts of the ruler and trim to 12.5" X 12.5".

# Philanthropy

## OCTOBER PHILANTHROPY UPDATE

We held our September philanthropy workday back at the Assistance League meeting room. Eight of us attended. We sewed quilt tops, backings, and bindings. Many quilts of various sizes were readied for long-arm quilting.

If you have a long-arm machine, or if you are capable of machine quilting on your domestic machine, and are willing to help, please let us know. We need to share out the quilting so it does not always fall to Maryruth Wilson to step up. Which she always does, but she does have a business and we don't want to burn her out. Edna Wright is always willing to take quilts as well, but that's just two people.

Thanks a bunch for all the underwear you donated for the vets! They will appreciate that. For October, we're hoping you will find it in your hearts to get the vets bath towels, hand towels and washcloths. If you're scouting for these items and come across any bargains on bathmats and shower curtains and/or sets of shower curtain rings, snap them up! Thanks! As always, we will accept any donations you bring, whether they are a featured item for a given month or not.

We have held on to a lot of our philanthropy quilts in order to be able to display them at the Quilt Show on October 1<sup>st</sup>. After the show is over, we will resume delivery to the vets up at March, as well as the foster children assisted by our friends at the Temecula Assistance League. Baby quilts we will continue to make and hold until next April, when we will deliver them to the Loma Linda VA's Women's Program.

If you're still working on bindings, pillowcases or Christmas stockings, let's get them in so we can be able to distribute them.

Thank you for all your help!

--Lynn Korito, Ida Colvin and Ellen French
