### Meeting Place for October 10, 2023, General Meeting

We are back to meeting at the Temecula Community Recreation Center!! They have finally reopened after many months of renovations. For all our new members since last fall, our meeting place is located at:

**30875 Rancho Vista Rd Temecula, CA.**

*Don't forget to bring your Show & Tell items!*

## President's Page

Hello everyone and hello autumn!

It is almost time for the 24<sup>th</sup> Annual Old Town Temecula Outdoor Quilt Show! I hope you are as excited as I am because the quilt show is on Saturday, October 7<sup>th</sup>. I hope all of you will be able to come to the show and even more important – I hope all of you hang at least one quilt in the show. All the visitors love looking at the wide variety of ways we express ourselves in our quilts. Remember there is no judging – just a lot of love!

Next, we have Kathryn Pellman coming to talk to us at the guild meeting on October 10<sup>th</sup>. Now don't get lost coming to the meeting. Remember we back home at the Community Recreation Center in Temecula. Kathryn will be talking to us about one our favorite things in life – our girlfriends. One October 11<sup>th</sup>, Kathryn is leading a workshop on: Paper Dolls for Grown Ups. This looks like a very fun project that teaches how to make postcard sized quilts. I am looking forward to this, as I have never done anything like it before. If you are going to the workshop, it is at a different location – check your information from Paula if you signed up.

Please stop by and sign up for the job you would like to do for the guild next year. The guild only works if everyone takes part. This is very important. Currently the same people are holding two or more jobs because of lack of volunteers. We will have to start cutting back on what we offer at meetings if there are not enough volunteers.

Don't forget to bring your show and tell this month. We want to see any new quilts you have finished and to check what we didn't have time to go see at the quilt show.

Also, don't forget to bring any donations you have for US Vets – they are always looking for toiletry items. Please read the Philanthropy update for further information.

Hope to see you all on Tuesday

Adriane Ridder

VOMQG President

# Upcoming Guild Program Presenters

## **Kathryn Pellman October 10, 2023 Lecture: Word Salad: Fashionistas & Girlfriends**

### **October 11, 2023 Workshop: Paper Dolls for Grown Ups**

Kathryn is an artist, fashionista, quilter, cook, baker, gardener and storyteller. Her whimsical series of small, playful, single frame cartoons feature long limbed and knobby kneed Fashionistas that invoke fashion illustration. Fashionistas mixed with some Word Salad combine fashion and quilting along with her passions and are a celebration and exploration of women and femininity, their lives, friendships and romantic relationships, real and imagined. She is a Juried Artist member of SAQA (Studio Art Quilters Association), has a Certificate in Fashion Design and has been sewing ever since she could thread a needle. Please visit her website at <https://www.kathrynpellman.com>

## **Catherine Wilson January 9, 2024 Lecture: Paper Piecing**

### **January 10, 2024 Workshop: Cactus or Twinkle Star**

Catherine is a quilt designer and certified Judy Niemeyer instructor. She started Queenie Quilts in 2010 to provide quilters with world class instruction and custom-built kits to assist them in making their own Judy Niemeyer masterpiece. She loves traditional piecing with a modern edge, reinterpreting old quilt blocks in new fabrics, or old fabrics in modern settings.

## **Karen Brow-Meier February 13, 2024 Lecture: The Smuggle Principles**

### **February 14, 2024 Workshop: Newly Hatched**

Karen has been a pattern and textile designer for over 20 years, specializing in animal themes with both pieced and appliquéd blocks. Her work has appeared in national magazines, books, calendars and catalogues. Her students learn what “makes a quilt sing” through concepts of color balance, using small and large scales of prints, and dramatic movement.

## **Sherri McConnell March 12, 2024 Lecture: A Quilting Life: Journey**

### **March 13, 2024 Workshop: Scrappy Quilts**

Sherri has been sewing since the age of 10 when she received her first sewing machine from her grandmother. She has since written three books and published patterns through her pattern company, Quilting Life Designs. She and her daughter design fabric for Moda. Sherri also loves to teach all about Scrap Quilting.

**Kim Brownell April 9, 2024 Lecture: Wacky Doodle Trunk Show**

**April 10, 2024 Workshop: Quilted Jigsaw Puzzle**

Kim calls herself the “Wacky Doodle Quilter” due to her easy-going, whimsical style, and because she doesn’t always follow the rules! She began quilting in 1993 and has been teaching since 2010. She gravitates towards animals, nature scenes, and bright colors. Her techniques include fabric collage, free form art quilts, raw edge appliqué, and many others.

**Sandy Corbin May 14, 2024 Lecture: Making Scrappy Quilts Fresh**

**May 15, 2024 Workshop: It’s All About the Borders Pillow**

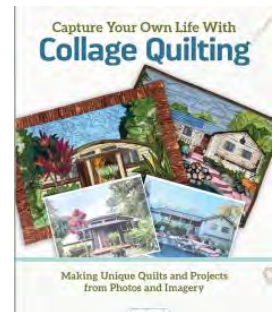

Sandy started sewing in junior high and began making her own clothes in high school. She started making quilts in the ‘70’s. In 2002 she founded “Sandy’s Designs”, started creating patterns, and has been teaching since 2004. She is local and is an active member of the Beach Cities Guild. For her workshop, she will be showing a variety of border designs that students can make into pillows.

**Jane Haworth June 11, 2024 Lecture: Journey as a Quilt Artist**

**June 12, 2024 Workshop: House and Home Fabric Collage**

Jane has been quilting since 2003 but has been involved with fabric all her life. In 1998, she moved to Auburn, California, where she discovered quilt shops, a huge range of fabrics, and art quilts. She has entered many of her quilts in International Quilt shows and has an Etsy shop called Happy Quilt Designs. She loves Kaffe fabrics, and her favorite technique is raw edge collage appliqué. She uses photos of landscapes, sea-life, birds, and of the work of illustrator Charlie Harper.

**Sheila Collins October 8, 2024 Lecture: My Creative Journey**

**October 9, 2024 Workshop: Summer Escapades**

Sheila has a background in fashion and graphic design using mainly fusible machine appliqué; she combines design skills with her love of sewing to create bright and cheery designs. Fun!

# Block of the Month

## Block of the Month 2023: Block #10

Here is our next log cabin variation -- called the Greek Key block. The 2023 focus fabric is from Hoffman and is called Paint Impressions. In addition to the focus fabric, you will need a white fabric and three additional coordinating fabrics based on the colors in the focus fabric. Remember, all our blocks end up 12.5" X 12.5" (a 12" finished block.) We will have the focus fabric available for sale at guild meetings for \$3 per fat quarter. Also, the Guild's website and Facebook page should have a post directing you to the YouTube instructions for this block.

### Cut list -- For one block: Strip widths are all 2"

White: 2" X 45" strip (sub-cut into these lengths: 2", 3.5", 5", 6.5", 8", 9.5", & 11")

Focus Fabric: 2" X 7" strip (sub-cut into 2" & 5" strips)

Coord. fabric one: 2" X 11.5" strip (sub-cut into 3.5" & 8" strips)

Coord. fabric two: 2" X 17.5" strip (sub-cut into 6.5" & 11" strips)

Coord. fabric three: 2" X 22" strip (sub-cut into 9.5" & 12.5" strips)

**Assembling the block: Use a scant quarter inch seam. Press to the newly added fabric unless other is mentioned.**

- Step one: join focus fabric 2" square with white 2" square. Press to the focus fabric. Orient this new unit in front of you with the focus fabric on top. This is how you will orient it after each piece is added (as shown in the photos.) Generally, we will be adding pieces in a clockwise direction, but a couple of times we must backup and add a piece before continuing clockwise. Now add a white 3.5" strip (piece 3) to the right side, press. (Photo 2.) Add coord.

Photo 2

fabric one 3.5" strip (piece 4) to the bottom side, press. Add focus fabric 5" strip (piece 5) to the left side, press. Add white 5" strip (piece 6) to the top, press.

- Now we have to backup and add the white 6.5" strip (piece 7) to the left side, press, then keep adding pieces in the following order: add coord. fabric two 6.5" strip (piece 8 in photo 3) to the top, press, add coord. fabric one 8" strip (piece 9) to the right side, press, add white 8" strip (piece 10) to the bottom, press.
- At this point we have to backup again and add the white 9.5" strip (piece 11) to the right side, press, then keep adding pieces in the following order: add coord. fabric three 9.5" strip (piece 12) to the bottom, press, add coord. fabric two 11" strip (piece 13) to the left side, press, add white 11" strip (piece 14) to the top, press, and finally add coord. fabric three 12.5" strip (piece 15) to the right side and press.
- If your pieces don't fit – check your seam allowance they should fit exactly.
- Use your 12½" X 12½" square up ruler, place it over the block. It should be 12.5" square.

# Philanthropy

## PHILANTHROPY UPDATE

Greetings quilters! The quilt show is right around the corner? Philanthropy will decorate the upper level of the Rancon Building in Old Town with as many philanthropy quilts as it can hold! We hope you are all planning to show a quilt or two (or three or more!) in the show as well. It's the hanging quilts that bring people to Old Town, and thus to the Auction. It's our most visible event all year.

For October, we are focusing on **the bathtub** for our vets up at March's Veteran's Village. So that means **bathmats, shower curtains and shower curtain rings**. You can always find these items at Target, Walmart, and Home Goods stores, (in addition to Amazon). As always, we will accept whatever you choose to donate, even if it's not the thing we're "focusing on." And as you know, the vets need everything, so if you're more motivated to donate some toilet tissue, or bath towels, or jam/preserves, or kitchen towels, we will be happy to get your items delivered!

Just a reminder regarding all the kits, etc. we distributed during the August sew-in—don't forget about whatever you took home to finish! We still have an awful lot of items out, so please finish them and bring back as soon as you can. Philanthropy is putting on another big Sew-In in November, so there's more coming down the pike!

One other reminder—if you have quilt tops you finished and they've been waiting in vain for quilting/finishing, and you've decided you don't even like the top enough to get it quilted, please think about donating it (or them) to Philanthropy. Our biggest challenge is getting quilt tops made, so we're always happy to receive a finished top. If it can have attractive borders attached to make it bigger and more utilitarian, we can do that. We can also find a back and binding.

We hope fall as found you raring to get at a new quilt. Summer seems about done, so with the cooler weather, maybe we can all start producing more.

We can always use quilt (or tops) that are manly, minimum 64" x 80", for March ARB vets with US Vets. Foster kids all need quilts for comfort upon entering the foster care system. This kind of a life change has to be upsetting for any child, and we make quilts for kids of all ages to try to comfort them a bit. All sizes, infants, toddler cuddle quilts, lap size, and twin. All are welcome.

Thanks for helping us help others,

## Monthly Mini

This month's Mini Quilt was donated by Janice Emmerson. Be sure to stop by the Monthly Mini table at the September to see this little beauty.

## Opportunity Quilt

Sizzle Pizzazz will be unveiled as our new opportunity quilt at our October 10th meeting. I will have a packet of 24 tickets for each of our members. Tickets are \$1.00 each or 6 tickets for \$5.00. Thus, if tickets are sold 6 at a time the cost is \$20.00. If individual tickets are sold it could total \$24.00. We expect each of our members to sell at least 24 tickets.

The Valley Quilters from Hemet will have their opportunity quilt at the meeting as well. I took our quilt, Kaleidoscope, to the Hemet guild in August and they were generous in buying tickets to support us. Please bring a little extra cash to support our sister guild.

Road to California Quilt Show will be held at the Ontario Convention Center from Tuesday night, January 16, 2024 through Saturday, January 20, 2024. We can have our new opportunity quilt there on Wednesday, January 17th if we get members to volunteer to do 20 hours of white glove duty at the show. I will have signup sheets for each of the days of the show. Each person can choose the day and which 2 hour shift you can work.

I also need 3 people to take a shift on Wednesday, January 17th, to sell tickets for the quilt. Each person who volunteers to work will get free admission to the entire run of the show. See me at the meeting to sign up for Road and to pick up your tickets for the new opportunity quilt.

# 2023 Quilt Show Boutique

Thank you to everyone that donated to the 2023 Boutique. With all the items we've received, we will have an amazing Boutique this year, And a big thank you to those who have volunteered to help with setup and sales. Some have asked for directions to the dance studio. It is part of the Old Town Temecula Community Theater located at 42051 Main Street. There is parking available in the back.

# Fat Quarter Exchange

If you would like to participate, bring a fat quarter that matches the theme of that month. For every fat quarter you bring you will be given a ticket. At the end of the break, one (maybe two!) ticket will be picked, and the lucky person(s) owning that ticket will go home with all the fat quarters brought in that night. Not only is it a nifty way to add to your stash, the fabric you go home with will all be of the same theme, and will be perfect for the beginning of a new project!

Please remember to bring quilt shop quality fat quarters.

# 2024 Guild UFO Challenge

New Program Alert!

Do you have a closet (or room, or house) full of projects that need starting, or finishing?  
Unfinished objects that just need doing?

Then be sure to join in the **2024 Guild UFO Challenge!**

If you are anything like me, you love some stash. And then...it gets buried and the piles grow. Road2CA, Guild Classes, Shop Hops, Quilt Runs...yard sales, trips to M&L...and an overactive imagination have started to catch up with all of us.

The plan: Start making a goal of which of those UFOs you want to tackle between now and the February meeting. I start setting goals for the coming year in December, and leave myself room for the new and exciting things, but trying to get through the backlog of things I've already started. (Yes, I know some of you are monogamous quilters that only work on one thing at a time...but most of us aren't.)

How it works: I will distribute forms online, in the newsletter, and at the January meeting, for you to list your UFO goals for the year. You will turn them in at the February meeting (or arrange a drop off to me by then.) I will keep track of what you finish (when you bring it to a meeting, or photos for proof.)

There will be fabulous prizes!

So...now you want to ask...what qualifies?

*You must already have this in your possession.* It can be a store bought kit, curated by you kit, something from a Guild class, or a project that got put on time-out. (This is why we are starting AFTER Road2CA, so you can adopt anything new or get those kits fleshed out.)

*Quilted goods.* Three layers, held together in some appropriate manner...quilted, tied, etc. By Annie or other bags that are made with a quilted method count.

*Size matters.* One placemat? No...a set, sure. Table runners, a Monthly Mini, baby quilts (lets help out Philanthropy!) Of course, quilts of all sizes. AND...any class you have taken with the Guild, no matter the size or the age of it!

I usually set goals with some larger and some smaller projects, so I get a little instant gratification in between larger ones. Your goals may vary, but my brain like small victories to help me stay on track.

Ready to play? Let's do this!

### MISSION STATEMENT

Formed in 1990, Valley of the Mist Quilters Guild is a non-profit charitable, educational and social organization in the Temecula Valley. We promote the knowledge of, and appreciation for, all aspects of quilting and fiber arts with an active philanthropy program.
